

JANE CASSIDY THE UNDERSEA WELL

Organized by the Montgomery Museum of Fine Arts, *Jane Cassidy: The Undersea Well* is the first museum exhibition to bring together multiple examples of this talented sound and light artist's immersive works. Debuting both new pieces and updated installations of favorite works, the exhibition demonstrates the mastery of Cassidy to create art that stirs wonder and our emotions.

DATES AVAILABLE FOR TOUR

MMFA June 30 – September 16, 2018
Venue 2 November 2018 – January 2019
Venue 3 February – April 2019
