

ArtWorks Gallery Exhibition

Call for Entries: *Home*

Discover how your students may exhibit their artwork at the Museum. Exhibitions in the ArtWorks Gallery are designed to go hand-in-hand with major exhibitions (with a few exceptions each year). Detailed guidelines and entry forms are available online. A jury of art professionals selects the works for each show. For more information, visit the Museum website at mmfa.org or contact Kaci Norman at knorman@mmfa.org.

Taking inspiration from the MMFA's *Pieces of History* exhibition that places visitors inside spaces that would have been found in homes during the 19th-century students are asked to explore the definition of *Home*. As we find in the larger Museum exhibition, *Home* can be a room, a space dedicated to a family, or routine like a kitchen or dining room but it can also be a feeling of belonging or a safe space. Works created by students can be simple recreations of their own homes, or the house of their dreams or something more complex and answer the question of where do I feel most at home and why? The idea of *Home* can even be a person or a pet. This is a great opportunity for student artists to thoughtfully create a work of art that conveys what *Home* means to them.
